Ok, thanks. Let's see what Susan says. I'm not clear what she meant by expired.

Brandi the database we downloaded is still up there. I was mistaken. We were emailed the zone and we downloaded the geodatabase entitled - CC_WaterGIS.gdb which is still under the ftp folder - [/Files_from_others/Shared_from_sclewis/Files_from_others/Shared_from_terrio@cctexas.com/CCUtilitiesDec152016](#)

Let me know if you need me to do something else. Thanks. Janine

Janine,
Per request of TCEQ, can the items that Weston downloaded be put back onto the ftp site?

Did you all download anything other than the zones?

I copied Susan incase you have any questions.

Thanks,
